

# 3M™ VENTURECLAD™ TAPE PROGRAM GOALS & BENEFITS

3M and NC3 help shape tomorrow's workforce through certification programs, industry supported curriculum and hands-on training.

3M™ recognizes the need for highly skilled technicians to support its customers. 3M VentureClad Insulation Jacketing System and 3M Venture Tape Educational Program provides students with the knowledge and skills needed to support customers installation effectively.

## PROGRAM GOALS

- ◆ Provide an educational opportunity that can be used in commercial applications
- ◆ Stackable certification with any HVAC program
- ◆ Help students get certified to begin a career with local unions and employers in the commercial HVAC industry
- ◆ Build local win-win partnership between industry partners and participating schools.

## NC3 CERTIFICATIONS

Receive 3M-validated NC3 certifications as proof of skills achievement. The 3M VentureClad Tape Certification includes:

- ◆ Understanding product installation literature
- ◆ How and where the products can properly be applied
- ◆ Duct and piping insulation cladding systems
- ◆ Certify by 3M standards on how to properly install the product in a multitude of situations and environments

## STUDENT BENEFITS

- ◆ Student access to 3M approved certifications for well-qualified college programs
- ◆ Students gain access to excellent employment opportunities as a Certified 3M VentureClad Tape installer
- ◆ Local partnership with companies in construction and HVAC equipment to grow, elevate, sustain and build a network for students, installers and schools
- ◆ Local employers participation in student activities
- ◆ 3M Technician Program association with globally recognized brand

## SCHOOL BENEFITS

- ◆ Collaboration with NC3 national network of leading educators and global industry partners
- ◆ Unlimited access to NC3's certification system & supporting materials for implementing NC3 industry-driven certifications
- ◆ Instructor participation in NC3's nationally recognized Train-the-Trainer events
- ◆ Exclusive participation in NC3 national events and programs
- ◆ Shape new certifications with respect to industry partner innovations
- ◆ Continuing to support future certification programs

3M is a proud partner of the National Coalition of Certification Centers. 3M Certifications are developed and administered by NC3 (National Coalition of Certification Centers) and are compatible with other industry recognized certifications.
