

The Lincoln Electric Education Partner Schools (LEEPS™) program, in partnership with the National Coalition of Certification Centers (NC3), is designed for institutions looking to offer a full suite of portable, stackable welding certifications. LEEPS programs support welding schools and training programs throughout the nation with the most comprehensive and relevant welding education tools and resources available for advancing skill levels and the preparation needed to succeed in specific fields.

Instructors learn effective teaching strategies and have access to an integral support system with comprehensive instructional tools and learning management resources. Students receive training to problem-solve and navigate through the steps required to become a successful, highly skilled welder in their industry of choice.

Certifications

NC3 certifications can be applied across several different industries creating flexible, stackable, and relevant credentials in industries such as welding, transportation, manufacturing, energy, building trades, aviation, digital literacy and agriculture.

Safety <i>(Pre-Req)</i>	MIW Math in Welding	GMAW Intro to GMAW	GTAW Intro to GTAW	POW Principles of Welding	SMAW Intro to SMAW	FCAW Intro to FCAW
FAB1 Fabrication 1	OFC Oxy Fuel Cutting	CAG Carbon Arc Gouging	FAB2 Fabrication 2	PR Print Reading	WSE Welding Safety Essentials	PW Pipe Welding
PAC Plasma Arc Cutting	ADV SMAW Advanced SMAW	ADV FCAW Advanced FCAW	ADV GMAW Advanced GMAW	ADV GTAW Advanced GTAW		

Who Benefits from LEEPS?

STUDENTS – Provides students a competitive advantage in the career marketplace with comprehensive training, documented skills, and knowledge

INSTRUCTORS – Valuable professional development through Train-the-Trainer courses, curriculum guidance, and networking opportunities that boost skills, credibility, and confidence

SCHOOLS – Provides curriculum and learning management resources necessary for standardizing welding education and advancing knowledge to the next level, driving graduation and retention rates higher

INDUSTRY – Customized employer-driven training to support specific industry needs that drive consistently skilled employees
