What is the LEEPS program?

LEEPS is a national program developed by The Lincoln Electric Company. The National Coalition of Certification Centers (NC3) is the certification body of LEEPS <https://www.nc3.net/>. The LEEPS program provides schools with a complete suite of portable, stackable industry-recognized welding certifications. The program involves a Train-the-Trainer initiative.

What is Train-the-Trainer?

This training is not about learning how to weld. This training prepares you (the “Trainer”) to train others. Upon completion of this training, you will be a certified NC3 trainer who provides standardized, world-class welding training at your organization. You will experience the curriculum, assessments, and exams first-hand before implementing this program in your own classroom.

Which certifications will I be able to issue?

LEEPStart & LEEPS Members:

- Welding Safety
- Principles of Welding
- Introduction Shielded Metal Arc Welding (SMAW)
- Introduction Flux Cored Arc Welding (FCAW)
- Introduction Gas Metal Arc Welding (GMAW)
- Introduction Gas Tungsten Arc Welding (GTAW)

LEEPS Members Only:

- Advanced Shielded Metal Arc Welding (SMAW)
- Advanced Flux Cored Arc Welding (FCAW)
- Advanced Gas Metal Arc Welding (GMAW)
- Advanced Gas Metal Tungsten Welding (GTAW)

Payment:

An invoice for \$995 with a link to pay via credit card will be emailed to you within 7 – 10 business days after registering. If you have any additional questions in regard to payment, please contact accounting at accounting@nc3.net. **All current and prospective LEEPS members must have their equipment verified prior to virtual training registration confirmation.**

Webinar Information:

After we confirm you have the necessary equipment to participate, you will receive a personal link to join the Virtual Training on Zoom. You will need to login to your zoom account via computer (no cellphones) with the email address that you registered with.
