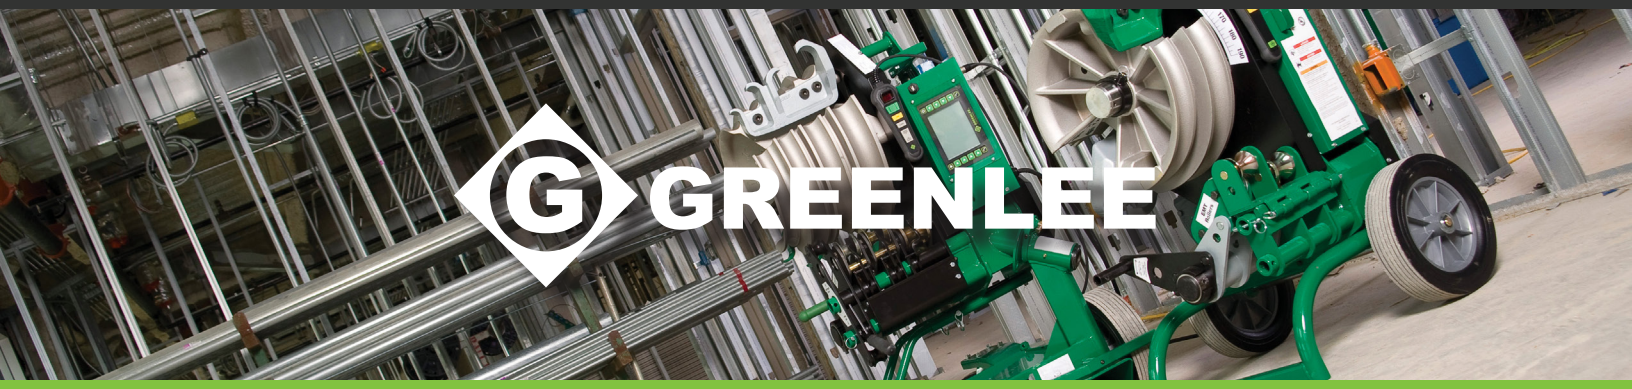
COMMERCIAL AND RESIDENTIAL ELECTRICAL CERTIFICATIONS



FISHING CONDUITS AND RACEWAYS & CABLE PULLING

NC3 and Greenlee help shape tomorrow's workforce through certification programs, industry supported curriculum and hands-on training. This will be an introduction to advanced bending conduits and raceways. Students will be introduced to advanced bending concepts, techniques and functionality of various benders while applying STEM learning activities.

FISHING CONDUITS AND RACEWAYS

This certificate introduces the methods and tools used by industry professionals for fishing conductors through raceways for manual and power fishing systems.

COURSE CONTENTS INCLUDE:

- Learning the process of fishing raceways in preparation for pulling wire through intended pathways.
- The ability to safely use manual and power fishing systems.
- Proficient in selecting the appropriate tools and techniques for manually pioneering raceways.

CABLE PULLING

This certificate introduces the components of the cable pulling system. Applying pulling and load force calculations and theories.

COURSE CONTENTS INCLUDE:

- Learning the process of manual and power cable pulling operations and systems
- Ability to calculate pulling and load forces associated with manual and power pulling methods
- Understanding various methods in pulling electrical and VDV cabling
- Demonstrate safe and efficient use of various equipment and techniques

NC3 CERTIFICATION

Receive an industry-validated NC3 certificate as proof of skills achievement that can offer enhanced employment potential and higher productivity on the job, in industries such as:

- Residential and Commercial Construction Trades
- Building Maintenance
- Information Technologies
- Manufacturing
- HVAC

GREENLEE CERTIFICATIONS

- Hand Bending
- Basic Conduit Bending
- Advanced Conduit Bending
- Wire Pathways
- Fishing Conduits/Raceways & Cable Pulling
- Electrical Branch/Series and Service Level Wire Termination
- 3-Phase Sequencing & Motor Rotation
- Insulation & Ground Rod Resistance Testing
- Basic Electrical Installation
